Brethren,

As Grand Master, I believe an important role of Grand Lodge is to serve its members and be the guiding light for the betterment of freemasonry within the province.

The Training Education and Mentorship “TEaM” committee has created an online survey, and we would appreciate your time in completing by April 25th 2018. [Click Here](#)

The “TEaM” committee has a mandate to facilitate that training, education, and mentoring to the members of the Grand Lodge of NB. Our goal is to **facilitate** the development of skills and knowledge in masons throughout the province. Our vision, is that every mason in New Brunswick will have the ability to build their knowledge and skills within the fraternity.

So, we ask ourselves, how can we best serve the members of our fraternity when it comes to training, education and mentorship? The best way to answer that question is to ask the members of our fraternity a few questions.

It's important to realize that your participation is vital to ensuring that TEaM continues to reflect the wishes of the fraternity. Below is information on how to complete a survey that we're asking every member of the New Brunswick fraternity to answer. The results of which will be used to drive the focus of the TEaM committee and help deliver the best content, the best way possible. We hope to get your feedback on an ongoing basis so that TEaM can continue to improve over time.

If you are not comfortable with the online technology version, we can forward to you a paper copy for you to complete. You can provide that to the lodge secretary or Grand Lodge secretary and we will include your responses in the results. We hope to have the results compiled for the upcoming session at Grand Lodge.

Everyone that completes the survey by April 25th 2018 and provides their contact information, will be entered in to a draw for a \$50 gift card to an establishment of your choice.

Brethren, your involvement will ensure the current and future success of the TEaM. Whether it is helping to develop materials, delivering content to others, or even simply providing feedback, your assistance is very important.

Thank you for your participation!

Fraternal Regards,

MWB John Watson
